- .
- .

Regional

- Regional efforts: (Glenn McNichol will look into the person from NJ)
-

Emergency Services

- PA- One
- Other

Three plenary sessions (panels or a keynote speaker).

Some ideas for two of those would be helpful.

Ideas:

- Google keynote (Manosh Chakravorty, enterprise regional sales manager –plans for future (digital infrastructure related)
- Iphone use (Dave will find the person)
- Regional efforts: (MD - Tom may look into the Towson perspective – How does PA compare?)
- Pennsylvania New administration – what are the plans? (Eric will look into)Tom Paese perhaps.
- Three Rivers Wet Weather Clean Water Act (Kathryn will look into)
- Pittsburgh Neighborhood Information Systems (Kathryn will look into)

User Group Meetings: thought to have meeting on the first day. PAMAGIC meeting may need to be separate from other user group meetings so that people who are involved with more than one user group can attend.

- County Pros
- Conservation GIS
- PAMAPPS
- PaMAGIC (second day morning)

PaMAGIC Infoswap: when, where (within the venue), budget, etc.

- End of the first day - 4:00 – 6pm.
- Budget – potentially \$2,500
- At hotel – pool area (in and outside)

Pre-conference workshops: Either be held at the venue or over at HACC.

- DCNR will be hosting the post-conference remote sensing workshop

Hotel contract will be signed shortly and CCAP will be getting out the "datesaver/call for papers" email blast.

Meeting to discuss Conference will be held on Dec 1st at CCAP. (9- 12) Brady and Laura will attend.

2. Transition Paper
3. End of the year report
4. Excellence award discussion: Glenn's idea.....

*******Next call December 2nd at 11AM - *******
